

For Once in my Life '94.9

Swing

Once in my life I have someone who needs me, someone I needed so long for

once unafraid I can go where life leads me somehow I know I'll be strong for

once I can touch what my heart used to dream of long before I knew

someone warm like you would make my dreams come true for

once in my life I won't let sorrow hurt me not like it's hurt me before for

once I have something I know won't desert me, I'm not alone any more for

once I can say this is mine you can't take it, long as I know I have love I can make it

for once in my life I have someone who needs me
